

Daycare Evaluation Information sheet

In order to better ensure the safety of your dog, and all of our other four-legged guests, we'd like to ask you a few questions about your dog's socialization background.

Please answer the questions below to the best of your ability. Thanks!

Today's date:

Name of the dog being evaluated:

Age:

Breed:

Spay or neuter? (Y) (N)

How many dogs do you currently own?

If you have more than one dog, does this dog get along with the others in your household?

If not please describe the situations where conflict occurs:

Does your dog get along with dogs outside the household?

Do you visit dog parks with your dog?

How often?

Does your dog seem to socialize well at the dog park?

Please describe any conflicts your dog has been involved in at the dog park, if any:

Has your dog ever been in a fight with another dog not described above?
If yes, please describe:

Has your dog every drawn blood on another dog?

Was veterinary care required?
Please describe:

Do you have any reason to believe that your dog will not do well playing with other dogs?
